CITIZENS ASK RECREATIONAL PROGRAM; COUNCIL GIVES ORDINANCE FIRST READING

Busy Council Session, Many People Present, New City Engineer

The City Council chambers were packed at the meeting Tuesday evening with citizens interested in the formation of an organized recreational program and the appointment of a Board of Recreation Commissioners. E. Eugene Lunsford, President of the Kiwanis club, spoke on behalf of the club and other organizations and interested citizens and recommended for appointment to the Board Thomas A. Reynolds, member from the Council; Edwin W. Ward, from the School Board; Jack Butler, Clarence Huntzinger and Mrs. J. Stadden Miller.

Each of the citizens have agreed to serve if appointed, Mr. Lunsford said. Their qualifications have been considered and they represent a cross-section of the various governmental, social and religious groups of the community.

Mr. Lunsford pointed out that Monrovia, El Monte and other neighboring cities have similar programs and Glendora voted to adopt one last Friday. When the soldiers start returning, he said, they will need recreation and no provision has been made for organized recreation for the 'teen-age young people.

A suggested ordinance was presented and read, which will come up for final reading and passage at the next Council meeting, in two weeks.

A request by Harry Lange for use of the Council chamber on May 29 for Red Cross First Aid class educational pictures was granted.

Picture of a building to be moved into Sierra Madre from Los Angeles as a dental office for Lt. Earle Wolfram of Los Angeles was approved on condition that the building be securely attached to the wall of the Thos. Neale building and comply with the fire and building ordinances.

Fire Chief James Heasley was granted leave of absence, and expenses, to attend the Fire Chiefs' Conference at Lebec, Calif., May 26 and 27.

The Council authorized an actuarial survey at a cost of \$201 to determine conditions to allow city employees to participate in the State Retirement System.

The Council voted to engage Joseph A. Hurley, City Engineer, residing at 32 Esperanza, this city, with offices in Los Angeles, as City Engineer, on part-time basis.

A swimming pool lease for four and a half months was authorized signed with Barbara Heasley.

Herbert E. Potter tendered his resignation as police officer, because of shortage of gas and the distance he has to drive to and from his home in Los Angeles. This was accepted as of June 1, being relieved of his duties May 17.

TRIBUTE MADE TO PRESIDENT EMERITUS

Mrs. Harriet Wright, president emerita of the Sierra Madre Woman's club, passed away at her home in Pasadena Monday night. As the club met Wednesday afternoon before the musicale by Miss Fannie Charles Dillon, time was set aside in memory of Mrs. Wright, when Mrs. C. W. Jones, a charter member of the club, gave a beautiful tribute to her life.

Capt. Henry C. Reavis Pilots Skytrains in Greatest Raid of War

Capt. Henry C. Reavis, a C-47 combat pilot and flight leader, piloted one of the huge Skytrains that dropped paratroops of the 17th Airborne Division on the east bank of the Rhine in co-operation with the Allied armies' thrust across the last formidable barrier to Berlin.

Flying in a Troop Carrier column that stretched off in the sky for over 500 miles, Reavis participated in one of the greatest Airborne operations of this war. After dropping his stick of 'troopers and making the turn out of the drop area, Reavis observed hundreds of gliders and tug planes moving toward the scene of battle.

Enemy opposition was fierce in some sectors, but predrop bombardment and fighter protection enabled the Skytrains to make the

Immortality

He who tenderly places a tear-wet blossom upon the grave of a friend knows that while it will fade and die and mingle with the dust, it will never become wholly lost; that under Nature's magic touch, under the kiss of the first springtime sun, it will find its way into other buds and blossoms, into the leaves of trees, into summer zephyrs floating across Edenic bowers on a gladsome earth, proclaiming that the grave upon which it faded will likewise assert its new life and immortality in some grand way, in some sweet time.

Observe Silver Jubilee in Priesthood Tuesday

Very Reverend Boniface Fielding, C.P., Rector of the Passionist Fathers' Laymen's Retreat House in this city, will celebrate his Silver Jubilee in the Priesthood on Tuesday, May 29.

The occasion will be marked by a Solemn High Mass at 10 o'clock Tuesday morning in the

VERY REVEREND BONIFACE FIELDING, C.P.

monastery chapel at which His Excellency, the Most Rev. John J. Cantwell, Archbishop of Los Angeles, will preside. Chaplains in the contest will be: Rev. James P. Lynch, pastor of St. Matthew church, Long Beach, and Rev. James B. Morris, pastor of Holy Family church, South Pasadena. Rev. Peter T. Hanrohan, pastor of All Souls church, Alhambra, will be deacon of the mass; and Rev. Daniel Sweeney, pastor of Resurrection church, Los Angeles, will be sub-deacon. Rev. Patrick Shear, pastor of All

Saints church, Los Angeles, will act as Master of Ceremonies. Rev. Michael Lee, pastor of St. Peter's church, Los Angeles, will preach the jubilee sermon. Music at the mass will be rendered by the Children's Choir of St. Rita parish, Sierra Madre.

Father Fielding was born in Indianapolis, Ind., but was raised in Ludlow, Ky., where he received his early education. After a few years in the business world in Cincinnati, O., he entered the Passionist congregation in 1913. He was ordained May 29, 1920, by the late Archbishop (later Cardinal) Mundelein of Chicago in Holy Name Cathedral of that city.

After finishing his seminary studies he was appointed to teach the Passionist students for the priesthood, and was thus engaged for four years. In 1926 he was elected Rector of the Passionist Preparatory Seminary in Normandy, Mo., and held this office for two terms of three years each. In 1935 he was chosen Provincial

First Places Won by Local Musicians

Two first prizes of the Pasadena Tuesday Musicales were taken by Sierra Madre's younger musicians, George Tyree and Nancy Welch.

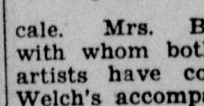

The finals in the contest were heard last Friday evening in the Recital Hall of the Pasadena Public Library. The required number which George sang was "Have You Seen But a Whyte Lil'le Grow" and his own selection was Richard Hogner's "Evening Star" which won him first place in the senior group.

Miss Welch, daughter of Mr. and Mrs. Lloyd B. Welch of N. Baldwin Ave., was awarded first place in the Junior group. Her required song was "Cups of Roses" and her own selection, "I'm Like a Bird" by Previn won her distinction. The first prizes were each twenty dollars, sponsored by the Senior Tuesday Musicales.

Mrs. Blanche Marfield, with whom both of these young artists have coached, was Miss Welch's accompanist.

LINCOLN PASCHALL WITNESS TO FIRST NAZI SUBMARINE SURRENDER IN HOME WATERS

Lincoln Paschall, F 1/c, Electrician's Mate, was aboard the submarine on escort when the first German submarine to be surrendered on the Atlantic Coast took place. The U-858 Nazi submarine which surrendered at sea 45 miles southeast of Cape May on Monday, May 14, was escorted up the Delaware river to the Philadelphia Navy Yard.

The 740-ton, 240-foot undersea craft which sank 16 Allied vessels since its commissioning 30 months ago, gave up its crew of 54 men and six officers for in-

terrogation at the prisoner-of-war camp at Fort Miles, Del.

Navy technical experts made a thorough inspection of the craft, and a corps of mechanics set to work on the ship's engines which were reported to be in "bad shape."

The craft's 27-year-old commander, Capt. Thilo Bode of Bavaria, told Navy officials that the submarine had left a German port six weeks ago and that she had not sunk any vessels on its last

Aero Practice Over Round Top

It was reported Monday that a plane was seen to have crashed on the mountain side with its pilot bailing out by parachute. To date the Forest Ranger station has been unable to locate any evidence of such an accident. However, a program was instituted and carried out last Monday by the Sheriff's office, Red Cross and U.S. Forestry Service working in unison, as a training for such work. The Sheriff's Aero Squadron plane dropped food, blankets, water and medical supplies to the victims of a supposedly crashed plane over Round Top Monday afternoon. The material landed within 200 feet of the target.

When Johnny Comes Home

As our men and boys from the armed forces gradually resume their places in civilian life, the first trickle already noticeable, every possible assistance should be made available to them and their families. It is a privilege civilians would like to take part in.

There is a committee from the Kiwanis club, with Gen. Edward Clinton Young as chairman, which is organized for this purpose. The names only as turned in from the soldier himself or by his family. They will in no way impose their services but are ready and willing to advise if asked. From the list of the committee it is evident there is a man capable of talking over problems, whether financial, religious, industrial, marital or just plain common sense. Gen. Young's committee includes Francis Eakman, Attorney, Novato, Cal., Capt. E. G. Everett, Frederic Green, R. C. Lewis, Bruce McGill, Roy Pickett and Dan Reib.

Scout Troops Merit Excellent Rating During Camporee

The Boy Scout Camporee held in the City Park Saturday and Sunday was one of the best conducted camporees ever held here. The Scouts were orderly and showed decided advancement in Scout skills.

A large signal tower was built of bamboo by the Explorer Scouts and very impressive campfire ceremonies were carried out under the direction of Bert Noble, chairman of camping activities. Rabbit, chicken, hamburgers, weiners and even charcoal steaks were prepared over the camp fires by the Scouts. Mrs. Merritt Williams contributed 22 quarts of milk to Troop No. 1 during the meet.

The troops were judged on appearance, camp maintenance and skill. All troops earned a high standard of rating. The judges were J. D. Mullender, Bob Green, Percy Kortkamp and Lewis George. Don Parker gave the boys some very enjoyable piano numbers and Francis Eakman directed the camp singing. Sunday afternoon, Max Stemple, friend of Scoutmaster Larry Appleford, gave a very remarkable demonstration in archery. Mr. Stemple is a member of the Los Angeles Bowmen Hunter club.

KEEP YOUR BLOOD BANK APPOINTMENT

Keep your appointment at the Blood Bank a week from Friday. Doctors and nurses of the Red Cross Mobile Blood Bank are taking valuable time to give you an opportunity to keep faith with your fighting lads.

Often dozens of pints are required to save one badly wounded man. Jim Wise, a seaman second class of Cincinnati, badly wounded at Pearl Harbor, needed 38 pints to save him. Our own Howard Miller, now back in Sierra Madre, who was desperately wounded at Iwo Jima, probably owes his life to the five pints of blood and three pints of plasma which he received. As a rule plasma is used in the front lines and whole blood administered in the hospital. We count on blood plasma to save them and whole blood to build them up.

To make an appointment to donate blood June 1, phone Red Cross, CU. 5-6183. The operation of donating blood is painless. Mothers with children will not be required from donating as Mrs. Chas. Peterson and assistants will be on hand to care for children while mothers are occupied. Sierra Madre Woman's clubhouse, Friday, June 1.

A memorial service for those who gave their lives in service of their country will be observed at the local Sierra Madre cemetery Decoration Day at 10 a.m. This will be conducted by American Legion and Veterans of Foreign Wars.

GOAL OF \$8500 SET FOR COMMUNITY FUND DRIVE WHICH STARTS TODAY. GIVE A FIVE

Pasadena Physician Spoke, Kiwanis Club

At the Kiwanis meeting Tuesday, Bruce McGill issued a challenge to the club in the coming drive for the Community Fund. He said he would attempt to secure more money than the other 35 members of the club. Arthur Morse suggested that if Bruce wins, the club buy his dinner and if he loses, he buy the dinner for the club which he took up. The goal set is \$8500, an average of \$5 for each person, which of course means many must give more.

Carlin Smith, who has done a fine job as chairman of the Program committee the past three months, will be succeeded by Robert H. Green for the next three.

Dr. Gossard was chairman for the day and presented Dr. A. G. Ford of Pasadena as the speaker, who gave a very interesting discussion of the task of saving the lives of our servicemen and stated that only three per cent of the wounded lose their lives, a large proportion being saved by modern methods. Prompt treatment and blood plasma and whole

New Recreational Building is Planned. One Drive to Provide Funds for Eight Local Youth Activity Organizations

BRUCE MCGILL, Chairman of Community Fund Drive.

Financing a Community Youth headquarters and supporting the various youth character-building organizations such as Boy Scouts, is the definite program offered to the people of Sierra Madre as a solution to the problem of what to do for our boys and girls. An average contribution of \$5 per person solicited will provide the necessary funds.

Bruce McGill, chairman of the drive, states: "Most people do not have the necessary time to take an active part in boys' and girls' work; yet everyone wants to help in some way. This year we are asking everyone to give \$5, not as a donation of money, but rather as their way of saying that they want a definite part in building a fine Youth program for our community."

Every year the Sierra Madre Kiwanis club sponsors the Community Youth Fund Drive to cover the budget requests of all organizations working with boys and girls. If every group made a separate drive, there would be duplication of effort and the public would feel that they were constantly being asked for money. This way they give only once for all youth work. However, if anyone desires, they may specify to which organizations they wish their contribution to go. The Kiwanis does not sponsor the various organizations nor does it prepare the various budgets.

All money raised in this drive goes to the various organizations and to the building fund because all the expenses of the drive, which will be about \$500, are being paid by Bruce McGill, who believes not only that our boys and girls are our most important possession, but also that those who can do so should give generously to support a definite constructive program such as is being offered this year.

There is a definite need this year for a youth headquarters which can be used as a center for all youth activity. With a goal of at least \$8500 it is planned to erect a building which will be a living memorial to our boys who have given their lives in order that the American way of life may survive.

Outdoor overnight camping, athletics, Courts of Honor, any properly supervised youth activity can center around this project.

Bruce McGill feels that this year's Community Fund Drive slogan, "Most of us can give a five-dollar bill; everyone can give something. Those who can will, I know, give more," for the boys and girls of "Our Town" truly expresses the sentiment of our community.

DR. J. STADDEN MILLER ERECTING BUILDING

Dr. J. Stadden Miller started construction work yesterday on a new office building on his lot just west of the City Hall. It will be of stucco construction, with three operating rooms, laboratory, reception room, private and administrative offices and all the appointments of a most up-to-date dental office.

PASCHALL-SPEER WEDDING AT FORT WORTH EPISCOPAL CHURCH

At a ceremony at 7 o'clock the evening of May 1, in the Episcopal church at Fort Worth, Tex., Marilyn Juvenne Paschall, daughter of Mrs. Jack Paschall, 970 Singing Wood Dr., Rancho Santa Anita, was married to Flight Officer James Perdue Speer, son of Mr. and Mrs. M. T. Speer, 1944 Arcadia Ave. Attendants were Lt. Frederick Loder and Mrs. Loder. The Lieutenant is a navigator in the crew of which F/O Speer is bombardier.

Looking lovely in a dusty pink suit and hat to match and wearing an orchid corsage, the bride carried a white prayer book which was a gift of Mrs. Speer.

Both the bride and groom graduated from Pasadena Junior college.

Union Memorial Service next Sunday afternoon, May 27, 4 o'clock, at the Bethany church. For the past four years the entire community has united in one of the local churches on Memorial Sunday for an hour's service with the local ministers participating.

All of the local ministers have signified their desire to assist in the service. The choir, under the leadership of Mrs. Belton High, will contribute the music. A special speaker has been invited, Chaplain (Major) John T. Curd, from March Field, to deliver the address.

Many of the local civic and patriotic organizations will attend this service in a body.

And of course everyone is invited.

Richard Dodson, R 1/c, and Thom Koches, R 3/c, landed at San Diego Monday from service in the Pacific and came to Sierra Madre to spend a day with Mr. Dodson's uncle and aunt, Mr. and Mrs. Francis Eakman. Tuesday Richard proceeded on his way to Springfield, Ill., which is his home city.

"Toby," Police Pet, Goes to His Reward

Word has just been received that "Toby" had to be "put to sleep"—a lasting sleep, and one that will not be disturbed by a call over the phone urging a policeman to come at once—calls that he heard many times and felt he must answer. He will be missed, missed mostly by the night police of Sierra Madre whom he guided and protected for several years of his short life.

In the good old days when Toby was permitted to ride around in the police car, he became a familiar character to the residents of Sierra Madre. Those who knew the policeman, knew Toby. His usual position was to rest his paws on the car window

Plan Spreading Grounds at Big Santa Anita Dam

Work has started on construction of a temporary spreading grounds below the Santa Anita dam to insure a greater water supply for Sierra Madre, Pasadena, Arcadia and other foothill areas, it was made known by Supervisor William A. Smith, Chairman of the Board of Supervisors and of its flood-control committee.

"Drilling has started on this work and has given rise to the report that a new channel is being constructed," Supervisor Smith said. "This is not the case but the direct opposite is true. The spreading grounds is designed to increase the supply of underground water in the Raymond Basin, between Foothill Blvd. and the dam. It is from this basin that Pasadena, Sierra Madre, Arcadia and a number of private water companies draw water."

Supervisor Smith said the spreading grounds is to occupy some 30 acres yet to be acquired and that present drilling is test work preparatory to selection of the proper location.

An Evening of Song By the Red Heads

Saturday evening at the Woman's clubhouse, 8 o'clock, Mrs. Grace McCarty will present the Three Red Heads, Susie Griffin, Helen Barrels and Connie Best, in a program of songs both classical and popular. Jean Askew, accompanist for the evening and pupil of Mrs. George Morgridge, will also be heard in a solo group of numbers. Audrey Langbehn, a promising coloratura soprano, will be the guest soloist.

Mrs. McCarty, a former dramatic instructor of the West Ebell club of Los Angeles, as well as voice instructor, is presenting three young ladies not as prodigies but providing an opportunity for young voices to acquire stage presence as a part of their vocal training.

All children attending the recital will be accompanied by and be seated with an adult. A portion of the door receipts will be turned over to the Junior Red Cross.

Stage Set for Carnival Friday

You may help the school buy new sound equipment and help yourself to a good time at the Carnival May 25, 3:30 to 8. There will be fortune-tellers, two puppet shows, pony rides, movies and other concessions. A dinner will be served in the cafeteria and at the barbecue pit from 5 to 7. Hamburgers, popcorn, ice-cream, cake, donuts and punch will be sold separately.

The Carnival is to raise sufficient funds to pay for a new sound-projection equipment. At present movies for the children can be "seen but not heard."

Legion Auxiliary Decorates Graves Next Tuesday

Members of the American Legion Auxiliary will again decorate the graves of all Veterans and Ex-Servicemen buried in the Sierra Madre cemetery. In past years the community has been more than generous in sharing their flowers for this worthwhile project and the local unit again requests donations of flowers. These may be left at the City Hall Tuesday, May 29, when they will be picked up and taken to the cemetery. Tonight members of the unit are meeting at the home of President Bertha Irvine to sort the paper poppies and put them in baskets for Poppy Day which is Friday. Early in the morning the members will be on the streets offering poppies to everyone in Sierra Madre. There is no fixed price for a poppy—whatever is given will be appreciated. The little boys' pennies and the business man's dollar are equally acceptable. It is hoped that every citizen will be wearing the crimson badge by nightfall.

First Communion Next Sunday

Next Sunday, May 27, in St. Rita's church, according to the pastor, Fr. Leo Scheibel, C.P., at 8 o'clock Mass the following boys and girls will make their first Communion:

Robert Fetters, Edmond Garcia, Robert Loza, Thomas O'Connor, Hubert Osterman, Joseph Reynolds, Thomas Sligh, Ann Brandt, Carmelita Garcia, Anna Marie Marchetti, Sally Ann Matern, Barbara Mullender, Marcia Murphy, Susan O'Bryan, Ruth Sheehan, Marlene Smith, Eloisa Velasquez.

Also next Sunday the beautiful ceremony of the May Crowning will take place at 7:30 in the evening. Miss Susan O'Bryan, first grade, has been chosen to place the wreath of flowers upon the statue of the Blessed Virgin. Fr. Eustace, C.P., will preach the sermon.

Silver Star Award to Major Collier

Maj. John Thornton Collier, who recently received the award of the Silver Star for gallantry in the Philippines, is the son of Mr. and Mrs. John W. A. Collier, 465 E. Highland Ave. Maj. Collier is a scion of the Memphis Collier family of Civil War renown. The citation says Maj. Collier was leading his tanks into a burning village on Leyte in advance of supporting infantry when, in the smoke-filled confusion, the tank column became temporarily disorganized. He unhesitatingly left the comparative safety of his tank and, although ahead of the leading wave of infantry and amidst heavy fire, personally directed the tanks through the village, with reckless disregard for his personal safety and remained on the ground in an exposed and precarious position until the tanks were in firing position beyond the village.

Maj. Collier is now serving as executive officer of the Seventh Infantry Division on Okinawa.

EDGIN FUNERAL RITES HELD YESTERDAY

Although Willis Edgin, 471 W. Grand View, had lived in Sierra Madre only two years, he will be greatly missed by the many friends he had made. He will be especially missed in the Congregational church of which he was a devoted member. He is survived by his wife, W. Grand View, and a daughter living at Riverside. Services were held yesterday at one o'clock at the Little Church of the Flowers, Forest Lawn, with Rev. Frederic Groetsema officiating. Mr. Edgin, a retired educator, was 77 years old at the time of his death.

Robert Wayne Penn, 19, radio-man 2/c, U.S.N., recently arrived at the Naval Training Station, Norfolk, Va., to train for duties aboard a new destroyer of the Atlantic Fleet.

He wears ribbons for the American Area campaign and Asiatic-Pacific Area campaign with three stars.

Son of Mr. and Mrs. P. R. Penn, 119 Auburn St., he has a brother, Ralph, 27, an apprentice seaman in the Navy. Before enlisting, he was a student at the Pasadena Junior college at Pasadena.

United Jewish Welfare Fund Campaign Starts

Joe S. Weber, 140 E. Alegria, has been appointed chairman of the Sierra Madre area for the Jewish Welfare Fund campaign now in progress in the Southland, of which the foothill cities will take an active part.

The drive, which has as its object the securing of 50,000 contributors to a fund to be used in the rescue, relief and rehabilitation of Europe's suffering Jews, the upbuilding of Palestine, national education and welfare purposes, has received the unqualified endorsement of leaders of all religious faiths. Serving as co-chairman with Mr. Weber will be Sol Kneel, also of Sierra Madre.

Cecil Brown, C 1/c, son of Mrs. Opal Walls of 372 W. Highland, is home on leave and will be reporting for duty at Terminal Island the last of May. He has been two years overseas and gone through five invasions on an LST, the most recent one on Luzon.

There is a very interesting communication in the News office from the headquarters of the Seventh Army relative to its 144th Field Artillery group. Anyone having a son in the outfit may read the same by calling at the News office.

Original photographs officially sent by the armed forces appearing in the News or displayed in the window of the News office will be given to the family of the subject if they will make a request for the same. Most of these pictures will be priceless heirlooms and impossible to duplicate.

LT. Arnold DesPlantes, whose wife is living with a cousin, Mrs. H. G. Hinshaw, 556 Oakdale Dr., has had some thrilling experiences in his duties as a pilot on a B-25, with the 14th Air Force, the "Flying Tigers," in China under Gen. Chennault. Mrs. DesPlantes received a letter May 18, that the 11th Bombing Squadron celebrated its third year in the China theatre May 4. He remarked that he was scared spitless sometimes, that the flak was so heavy around their planes.

Mrs. Ronald S. Adams, 165 N. Sunnyside, has just had word from her husband who is now instructing at a base near Pearl Harbor that he has been promoted from Lieutenant (j.g.) to Lieutenant in the Navy. Lt. Adams has seen service in the Aleutians, Tarawa, the Marshalls, Saipan and Tinian. He holds a Presidential citation for his service on Tarawa when he was attached to the Second Division of Marines. He is the son of Mr. and Mrs. Scott M. Adams of Alhambra and attended P.J.C. and University of California at Berkeley.

Mr. and Mrs. Eber Thomas feel they are doubly fortunate in having both sons home on leave at the same time. Marvin Thomas, AM 1/c, phoned from Los Alamitos that he was in the States for a 30-day leave after more than 20 months in the Pacific, and

their son, LT. Robert Thomas, is already home for a deserved leave. Marvin came home Tuesday.

Gordon W. Stinman, Ph. M. 2/c, came home last Wednesday for a 30-day leave with his parents at 3807 E. Green St., Pasadena.

Hank Shippey phoned last week from New York that he was well on the way home and is expected to be in Sierra Madre within the week.

A lady is reported to have gone into the local bank to make a deposit and went to Herbie Ingraham's window and said, "This is the Aid money." He thought she said "egg money" and replied, "Well, the old hens did pretty well this week, didn't they?" It was Herbie's "most embarrassing moment."

ROUND THE TOWN

◆ The many friends of N. F. Graham are pleased to see him back on the job in the Pacific Electric station, after being out several weeks on account of illness.

◆ Pasadena Branch, American Association of University Women, concluded a most successful season with installation of new officers at a tea held Saturday afternoon, May 19, at the Shakespear club. Mrs. John H. Robertson, 371 Adams, introduced James Townsend, tenor, and Heiga Jansa, guest speaker. The tea hour, planned by hospitality chairman, Mrs. Emerson Winter of Arbolada Dr., proved a pleasant close to the activities of the year as well as the afternoon.

◆ Forgetfulness cost Mrs. Hazel M. Price, a visitor from Kansas City, visiting at 310 N. Mountain Trail, \$55 Friday in Pasadena. When her purse was turned in by a finder from near the Santa Fe station she was reminded by a police inquiry that she had forgotten it in the station. Only \$1.50 of the missing money was in the purse.

◆ Clyde Creighton, 76, father of the late John A. Creighton of this city, passed away at his home in

Hollywood Friday morning at the home of his daughter. He was treasurer of the Bodger Seed Co. of El Monte, one of the largest seed wholesalers in the world. He had many friends here in Sierra Madre.

◆ The Civic club will elect officers this evening when they meet at the home of Mrs. Iva Adams. Mrs. W. C. Roberts was chairman of the nominating committee. The appointment of the 15 committee chairmen will be announced at the time of the installation.

Announcement

In order to encourage the purchase of 7th War Loan issues by our customers to the limit of their ability, interest will be allowed to date of withdrawal on all amounts withdrawn during the months of May and June for direct investment by subscription to U. S. Government Securities offered under U. S. Treasury 7th War Loan. This will apply to all amounts normally receiving interest under existing schedules and permits an immediate investment in War Bonds without loss of interest.

The Frog

TALKS about

ROBERTS MARKET

and Things!

Folks:

Some time ago I told you I had no intention of being an eavesdropper. But I can't help hearing the ladies talk while they are shopping. Of course, they don't know that I am the advertising representative of ROBERTS MARKET! Still, I just have to pass information on to my Mom and Pop.

Isn't that what any well-trained adopt-ee would do?

I gotta listen to the troubles of the housewife in making her ration points stretch—in finding the foods she wants—and how she is going to prepare what she DOES find with very little fats, oils, butter, butter-substitutes and sugar.

Really, my WHOLE sympathy goes out to the housewife of today! All summer long I am going to be weeping deep, copious, gushing tears to keep the vegetables fresh and crisp for you.

We have artichokes, Asparagus, Summer Squash (au gratin), Zucchini or Dago Squash (brown an onion, slice squash, add one can of tomato sauce, season, cover and simmer for 45 minutes—but GOOD!)!!!

There are so many tasty things here in my department I can't mention them all. Parsnips, Broccoli, Cauliflower, Red Cabbage, (serve with apples, pared and quartered, and place on top of cabbage while it steams), Egg Plant, Cherry Rhubarb and Green Peas. Occasionally we have Green Beans, Bananas and Strawberries.

Doctors recommend Bean Sprouts for their high protein value. They make a good salad! We have same.

We have received our notice that our Pure Vermont Maple Syrup has been shipped.

Again I want to tell you we managed to get a good variety of frozen fish to tide you over the next two pointless weeks: Rock Fish, Sole and Ling Cod Fillets.

You may have to take up a notch or two in your belt, but you can still keep your uppers shining! We have SHINOLA—all kinds! (per request of salesmen).

We want to remind you, this store will be CLOSED on Memorial Day, Wednesday, May 30th, in reverent memory of loved ones who have given their all that we may live as free men and women!

Do what thy manhood bids thee do,
From none but self expect applause;
The noblest lives and noblest dies
Who makes and keeps his self-made laws.—Kasidah.

REMEMBER, we at home must keep on doing our bit.

HAVE YOU PURCHASED YOUR BOND?

With Reverence,

THE FROG.

Pfc. Howard Miller is home. He came last week from the Navy hospital at Camp Pendleton for an indefinite convalescent leave. He, with his wife, Tommy-Ann Miller, are vacationing this week at a mountain cabin.

Pvt. Gordon Blanke has been released from the Fort Benning hospital in Georgia and is expected to spend a 15-day furlough in Sierra Madre with his wife and daughter.

Dear Folks:

You are having the "Bite" put on you and strange as it seems, you'll like it.

New faces of "Our Town" step up and show the true spirit. Means you will become one of us. Kiwanis Club asks that you support the "Community Fund Drive." Give up some do-re-me. Result, youth activities including Boy-Girl-Cub and Explorer Scouts, Campfire Girls, Friendly Indians, Y.M.C.A. and Toy-loan will benefit.

Hope to build a youth headquarters 20x30, plus outdoor fireplaces where children can play with proper supervision. Forgot the "Dog House" boys. They might get theirs if they qualify (maybe).

Make it easy, folks. Don't wait to be asked. Come in. Lay \$5 or \$10 on the line and I will give you a receipt. Use it for your Income Tax record.

Our boys and girls merit your confidence. Now is the time to show them.

He can't ask you now!

... He's an American hero. After fighting bloody battles in the Pacific, he was home on leave two years ago.
... You may remember seeing his picture. His name is John Basilone, Marine Gunnery Sergeant. He traveled all over America, urging every American to buy more bonds.

... He said: "You don't know—you can't know—how much it means to the boys out there when they hear the folks back home have just put another War Bond Drive over the top."

... They gave him the Congressional Medal of Honor and offered him a commission. He didn't want it. "I'm a plain soldier," he said. "I want to stay one."

... Well, he stayed a plain marine—like Joe and Bill and the fellows

down the street. He *can't* ask you to buy bigger bonds during the Seventh. He was killed a few weeks ago on Iwo, just after he had led his assault team to the edge of an airfield we needed desperately.

... We can't let him and all our other fighting heroes down. Remember, last year we had two War Loan Drives by this time. The Seventh is our personal call to arms—two drives in one. That's why our quota is large.
... We must meet it—we *will* meet it—for the hero of Iwo—for Victory—for pride in America.

◆ Friday, June 1, the Pasadena school election will be held at the local grammar school. The polls will be open from 8:45 a.m. until 7 p.m. The same group will be in charge as officiated at the school board election last Friday.

◆ Woodrow Wilson Junior high school orchestra gave a guest program at the grammar school assembly Friday afternoon. The orchestra of 35 musicians is under the baton of Theodore Gundry.

◆ Mr. and Mrs. A. H. Embree entertained Gordon Stinman, Ph. M. 2/c, LaVon Hess, Pasadena, and Virginia Ecker of Stockton at dinner Tuesday evening. Stinman and Bert Embree were very close friends at their stations in the New Hebrides.

◆ No canning sugar will be issued by the Ration Board until June 15, except people who have ripe fruit ready to can may get five pounds out of their total amount, we are informed by Dr. Pritchard.

◆ J. W. Kendall of Santa Ana is assisting in the Skeels store. Mr. Skeels started Mr. Kendall in the drug business in Idaho some years ago and later Mr. Skeels became associated with the Rexall Co. and called on Mr. Kendall in his drug store at Reno. They were close friends for years.

◆ Capt. O'Banion received word yesterday that the recently published book, Mickey, had won special honorary place in the N.Y. Herald-Tribune juvenile book review, which will give much more publicity to the book. Capt. O'Banion has been receiving letters from friends whom he has not seen in years. Yesterday Marco Newmark, an old friend, now owner of the Newmark Groceries in Los Angeles and who attended Stanford with Homer Lea, was coming to Sierra Madre and bringing Miss Taylor, an authoress, for a visit with the Captain. She is planning to write a book with Homer Lea as the motivating figure.

◆ Richard Gerke, training in the V-12 program at the University of Colorado at Boulder, has been

elected to the honorary fraternity of Chi Epsilon, a national fraternity of civil engineering.

◆ Mrs. John Robertson has received a typical war-time appointment. She was made delegate to

the National Convention of American Association of University Women held in Washington, D.C.,

without travel. All business and election of officers will be carried on by use of the mails.

BROTHER CAN YOU SPARE A FIVE?

WAR HAS TAUGHT ALL OF US ONE LESSON. THAT LESSON IS THAT OUR MOST IMPORTANT POSSESSION IN AMERICA IS OUR CHILDREN.

We are united as a nation in one common desire: To build out of this war, a Better World, not for ourselves, but for our children. Our First step in achieving this goal is to develop the character of our children, so that they will be equipped to do their part in a post-war world.

Once each year you and I are asked to do our share for all the children of Sierra Madre by making a contribution to the community youth fund for the support of all youth character-building organizations, such as Boy Scouts, Girl Scouts, Cub Scouts, Toy Loan, Campfire Girls, Explorer Scouts, Y.M.C.A, and Friendly Indians

We also need a building which will be a headquarters for youth activity. This building to be made available for use by any supervised group of Sierra Madre children.

The Sierra Madre Kiwanis Club urges your support of this program. Most of us can give a five-dollar bill. Every one can give something. Those who can will, I know, give more.

YOUR GARDEN

By JESSIE RUSSELL

French Hydrangeas: It is that time again when you will be thrilled with the beauty of the delicate blue, pink and rose-colored French Hydrangeas. These dwarf hybrid Hydrangeas are so much superior to the old-fashioned varieties that grew all out of proportion in the garden. The French Hydrangeas grow about three feet high and if cut back each winter will not take up too much room. The variety, E. G. Hill, will take on the clearest blue if treated with either iron rust or aluminum sulphate or if the soil has become quite acid. Untreated, this variety will flower a soft clear pink.

Culture: Plant Hydrangeas under trees or on the north side of buildings. Keep them cool and moist. Direct sun will wither the blossoms. Hydrangeas combine well with other shade-loving plants such as Camellias, Azaleas, Fuchsias, Begonias and Ferns.

Fuchsias for Hanging Baskets: Some of the new trailing Fuchsias for hanging baskets are: Carolyn, Cascade, Long pink and cerise; Double rosy lilac and deep pink; Mrs. Victor Reiter, Long, red and white; Treasure Island, Small pink and white; San Francisco, Long Salmon pink; Henry Poincaré, Large purple and red.

Culture: Plant fuchsias in a mixture of top soil that contains some leaf mould or compost, peat moss and a little steer manure. Use only one plant to a basket as they need lots of root room. Fuchsias grow fast and will soon fill up the basket. Hang in a shady spot.

Spider and Quill Type Chrysanthemums: These lacy, new type Chrysanthemums are most interesting to grow. They do not require a great deal of care as they do not have to be disbudded. However, they should have water and fertilizer during the summer and must be staked up as the plant develops so that the stems will not fall over. They come in pink, red, yellow and cream colors.

Girl Scout Leaders Entertained

The home of Mrs. S. E. Peterson, 50 E. Alegria, was the scene of a very pleasant evening when the Girl Scout Council entertained the new leaders Thursday evening. Mrs. J. J. O'Connor gave the welcome and each leader was presented with a Girl Scout pin by Mrs. Sam Haskins, commissioner, who presided for the evening. Mrs. Ralph Valencia, registrar, announced that 110 girls registered during April. The date of the Summer Court of Awards was announced as June 8, 8 o'clock in the local grammar school auditorium. Mrs. Colin Timmons, chairman, will announce details later.

The report of the nominating committee was given by Mrs. Peterson as follows, officers for 1945 and '46: Commissioner, Mrs. Raymond D. Andrews; Deputy Commissioner, Mrs. Walter Nollac; second deputy, Mrs. Sam Haskins; Recording Secretary, Mrs. Frank Spencer; Corresponding Secretary, Mrs. N. B. Hutton; Treasurer, Mrs. S. E. Peterson; Registrar, Mrs. Ralph Valencia.

Every member of the Girl Scout organization in Sierra Madre from seven-year-old Brownies to Council members, will have a chance to participate in planning for the work of Girl Scouting during 1946 and 1947, according to national plan announced by Mrs. Haskins. The two-year plan of work for Girl Scouting will be formulated during the late spring and summer. The theme for the plan will be "Active Citizenship," as nothing seems more important than good citizenship in winning the war and protecting the peace.

"Active Citizenship" means knowing your community and knowing something about the people who live in it and doing what one can to help.

MERRILL BARN DANCES POPULAR IN LOCALITY

The trend in dance styles is swinging decidedly towards the older dances, it is said, with one of the most popular and up-to-date dances today being the barn dance.

Mr. and Mrs. Guy R. Merrill have just returned to Monrovia from a very highly successful season at Palm Springs. They put on barn dances at the Palm Springs Tennis club, the B-Bar-H Ranch, the Smoke Tree Ranch and other swanky resorts in that area.

Every Saturday night at K. P. Hall, Monrovia, the Merrills stage a barn dance starting at 9 p.m. Inasmuch as many people do not know the older dances, a very popular feature of these dances will be the teaching while the dancers are on the floor. The older dances call for special types of music, therefore it goes without saying that the music will be good.

their Game Badge and recently held a "Play Day" in the City Park. The winning team of the relay race was Theresa Cole, Margot Woodworth, Wynne Schweppe, Marilyn Miller, three-legged race was won by Wynne Schweppe and Margaret Cook. In the treasure hunt Wynne Schweppe was first and Margot Woodworth second; in the paper hat contest Jean Meeder came first and Marilyn Miller second. Jean Polgreen's grandmother baked a lovely birthday cake for her which was shared with the girls at the close of the games. There will be a tennis tournament later.

Lt. Norman S. Dennis Co-pilot Over China

Second Lt. Norman S. Dennis Jr., son of Mr. and Mrs. Norman S. Dennis, 457 N. Lima St., is now flying with the Jolly Rogers, oldest and best-known B-24 unit in the Pacific theatre. A co-pilot, the 21-year-old airman participates in missions against Japan and China and enemy shipping. Lt. Dennis attended Pomona college before joining the service.

JULES N. WOEHLE GIVES PROMOTION

Jules N. Woehler, son of Mr. and Mrs. Victor H. Woehler, 650 Manzanita Ave., was one of a group at the Army Air Field, Florence, S.C., to receive promotions to the rank of sergeant. Promotion came as a result of the recommendation of his commanding officer and his section head and was in recognition of the caliber of work performed.

Sgt. Woehler spent two years and five months in the European theatre of operations as a radio mechanic, and has been awarded the E.T.O. Ribbon, four bronze battle stars, Pre-Pearl Harbor Ribbon, Good Conduct Ribbon, and the Marksman Carbine Medal.

Jewels of the Plant World Epiphyllums

These exotic beauties by their very daring and unusualness are destined to a place of prominence in our decorative scheme.

Although native to Brazil, Mexico, the Argentine and other tropical countries, many of the newer and finer types comprising our large collection have been developed by us and other local growers as well as in Europe.

One could imagine nothing more congenial to our Southern California climate and modern-day architecture than these streamlined plants bearing a profusion of strikingly beautiful flowers from six to 10 inches in diameter, in all the colors of the rainbow. There are white kinds fringed in gold and lime-yellow, pinks in monotone or iridescent tints, purples and flame and chartreuse, molder gold with vermillion, bronze with scarlet, blood-red with violet and others too numerous to mention.

Some types are effective in wall or hanging baskets, but the majority best display their charms when trained against a trellis or wall.

The "Jeweled Corridor" at the Coolidge Rare Plant Gardens, during May and June, presents a dazzlingly beautiful spectacle that you cannot soon forget.

CONTINUES ON SCHOOL BOARD

E. Waldo Ward was re-elected to the Sierra Madre School board at the election held last Friday in the school building. The election was uncontested, which probably explained the reason for the small number of voters which turned out, to be exact, 32. Mr. Ward has been a conscientious member of the board and a very popular representative; the public evinced its approval, satisfied that he would again serve the Sierra Madre schools. Mrs. Henrietta Hinkley, clerk, and President E. E. Hitchcock are holdover members of the board.

Many Guests at Woman's Club

The Camp and Hospital unit of local Red Cross received a gracious boost from the Sierra Madre Woman's club Wednesday afternoon. Mrs. Edward Clinton Young was invited to tell of the great work facing Camp and Hospital in the future. From a voluntary contribution made by the ladies, \$51 was collected and the club voted to add \$50 from the treasury, making \$101.

The result of the election for the board members placed Mrs. Randall Perry, Mrs. Harold Drury, Mrs. William Stoddard and Mrs. Richard Merriman on the board for the coming year.

"Toby"

ledge with his black curly head extended so that the wind could "blow through his whiskers." If the officer had occasion to speed up in chase of an offender, he understood and would drop to the seat of the car in anxiety. One could just hear him say, "go get him, but be careful of yourself." The writer too well knows just what Toby had to say. His response to suggestions was little less than human. His understanding of many things was much better than most of us humans.

Toby knew the "foot patrol" so well that when a new officer came upon the beat, Toby just had to show him around. He would run ahead—just in case—maybe the fellow might forget the next door. It was not his fault that "kitties" had to be chased away from the back doors that had to be rattled. Didn't Jim Heasley tell him to go get 'em? He even went after the wrong kind of a kitty one dark night. This caused him a lot of grief and discomfort. It took Art Johnson, his real owner, most of the following day to get rid of that skunk odor that was so prevalent in and around his long hair. He didn't get sore over this—he knew Jim wouldn't have sent him after it had he known it was a polecat. The same mistake was made again some time later and still Toby didn't get sore. Really, he wasn't just a great deal different from us humans and some of his ways were a little better. He at least stuck to his friends.

Toby will not only be missed by the men of the police department. The firemen will miss him just as much. He never failed to attend the regular fire meetings and was in attendance at the last before his death. To ride on the seat of the open fire truck, especially to a fire, was apparently his best and biggest thrill.

Toby was a dog—all dog. He was brought to Sierra Madre by Art Johnson when he was a member of the Sierra Madre Police Force. The men took to Toby and Toby liked everything about the men and the place. His great delight was to be with the patrolmen, be it afoot or in the police car. When he was not permitted to go along, he waited patiently for the return with a fond hope that he could go next time. We will miss him. May he be in the happiest hunting grounds among the best dogs ever born.

trip. However, a Navy prize crew found four less torpedoes aboard than her full quota.

Lincoln's description of the capture which he wrote to his mother, Mrs. Jack Paschall, 970 Singing Wood Dr., is one of the most unusual letters received during the war. He said that although radio reports broadcast that the experience was no picnic, the sea was as calm as a lake. There was no sound or commotion, the sub had been guarded by a destroyer

with two corsairs with depth bombs buzzing the sub whose guns had been ordered dismounted.

He said the men looked very white, having been underwater many weeks. Their hair was so long it made them look feminine and the Nazi crew apparently was as curious to look our boys over as they were to see them. The sub was badly in need of paint.

blood is the answer. People at home should volunteer for the Blood Bank. Type O is badly needed. Some boys need eight to 10 applications and whole blood is needed where much blood has been lost.

John G. Pascoe, an associate of John C. Loomis, in the real estate business, was taken into the club as a new member, Arthur Morse and Dr. Pritchard having charge of the induction.

Ralph E. Valencia was a guest of Harry A. Lange and Francis Eakman had his nephew, Richard I. Dodson, of Springfield, Ill., and F. R. Koches of East Chicago, Ind., as his guests, Navy boys just in from the Marshall Islands.

◆ The fire department was called to N. Michillinda by an auto fire caused by wire shortage. The car was owned in the Lee Shipley family.

of Holy Cross Province of the Passionist Fathers, in which office he also served two terms. In 1941 he was elected Rector of St. Gabriel Monastery in Des Moines, Ia., and three years later was chosen Rector of the Passionist Retreat House in Sierra Madre.

Besides the various offices with which he has been entrusted, Father Fielding has been engaged widely in giving missions and retreats throughout the Middle West

and in the South; also in California since he came here as Rector. In 1937, while Provincial, he attended the General Chapter of the Order in Rome, as one of the representatives from the United States.
